Warm Welcome

Terrington Tigers would like to give a warm welcome to our Tigers for the new season 21/22. For all existing Tigers and all those that are new to the club, we wish you all an enjoyable season.

21/22 Season

The Terrington Tigers committee have been working hard in the pre-season and we are ready for the first few weeks of September, for it all to 'kick-off'.

Terrington Tigers can show their success with the amount of teams going into the season, starting from U7 all the way through to two mens teams.

We have a special mention to our new and first time U18 team. Their manager Stuart Chaplin has been with the team all the way through each age group and has now seen them to the furthest point of youth football. So hats off to Stu, Rob and Dale for all their hard work.

A few thank-yous

With every new season we say good-bye to the last, and with this we would like to say thank you to our outgoing chairman Andrew McDermid for all his hard work and dedication over the years, and we continue to wish him well with his U13 team.

Also thank you to Adam Hannay, our long serving treasurer, who has decided to step down from the role, but is still part of the committee.

Sponsors

More great news..... for the first time Terrington Tigers has sought sponsorship for the whole club, instead of individual teams.

We have been fortunate enough to have been sponsored by NBC and T.M. Browne. This has come as a massive help to the club and has allowed us to push on past the Covid uncertainty and allow Terrington Tigers to grow.

The sponsorship money will be used for new equipment, pitch maintenance and a VEO machine. The latter will allow us to video some training sessions and matches, with the ability for a coach to dissect and highlight certain moments, and allowing players and parents to view special moments caught on camera.

Im sure that we as a club, speak on behalf of all players and parents and applaud NBC and T.M. Browne for their generosity.

Tuck Shop News

The tuck shop has always been a difficult thing to manage and man, as parents/wives/mums generally bear the brunt of this duty, meaning they miss their child play.

With this in mind I have strengthened our ties with local businesses, one of which being Slingsby & Sons Butchers, who will provide us with hot drinks and food on match days.

Pitch Allocation

This Season, with so many teams taking part, we are aware that the pitches will be very busy, we have been in talks with the High School, who have kindly allowed us to use their pitch when we need to and also the village hall have allowed us access to the toilet facilities whilst matches are played at the high school. This is great news, as this allows all teams to carry on with their season and not clash with other teams fixtures.

Parking

Due to the amount of home matches, we would respectfully ask those who can, to walk to the playing field where possible, in the hope to decrease the volume of cars being parked - you can use this as your warmup!. Please also respect the homes opposite the playing field and do not block their driveways.

PLAY YOUR PART

Code of Conduct Parents / Spectators

- Have fun; it's what we're all here for!
- Celebrate effort and good play from both sides
- Always respect the referee and coaches and encourage players to do the same
- Stay behind the touchline and within the Designated Spectators' Area (where provided)
- When players make mistakes, offer them encouragement to try again next time
- Never engage in, or tolerate offensive, insulting or abusive language or behaviour

We do only
positive. 😊

RESPECT

Polite Reminder

Terrington Tigers is a 'No Smoking' club, so please refrain from smoking at training and matches.

Dogs are NOT permitted on the playing field or at the high school, so please refrain from bringing your 4 legged friend with you.

Thank you.
